This Agreement is incorporated into the Customer Agreement that governs your use of the Internet service provided to you by Service Provider (the "Customer Agreement"). In consideration of the mutual promises set forth herein, you and Service Provider, intending to be legally bound, hereby agree as follows:

1. **Service.** Service Provider provides its email services (the "Service") to you subject to the terms and conditions set forth in this Agreement, as well as the Customer Agreement and Service Provider's Acceptable Use Policy, each of which can be viewed at www.exede.com/legal.
2. **Grant of License.** Subject to the terms and conditions of this Agreement, Service Provider hereby grants to you a non-exclusive, non-transferable, limited license to use the Service software in object code form only (the "Software"). The Software is being licensed, not sold. You hereby agree that you will not (and will not permit anyone else to) copy, modify, rent, loan, distribute, create a derivative work of, reverse engineer, decompile, or otherwise attempt to discover the source code, sell, lease, sublicense, assign, grant a security interest in or otherwise transfer any right in the Software, and you shall not exploit the Service in any unauthorized way whatsoever, including, but not limited to, by trespass or burdening network capacity.
3. **Use.** By accepting this Agreement, you represent that you are 18 years of age or older and you will supervise and accept responsibility for usage of your email account by minors. You agree that you will not use the Service if you have been barred from receiving the Service under any applicable laws. Use of the Service requires compatible devices, Internet access, and certain software; may require periodic updates; and may be affected by the performance of these factors. You acknowledge that Service Provider may issue upgraded or modified versions of the Software from time to time, and may automatically electronically upgrade or modify the version of the Software that you are using on your computer. You consent to such automatic upgrading or modification, and agree that this Agreement (as amended from time to time) will govern all such versions.
4. **Account Data; Privacy.** You agree (a) to provide true, accurate, and complete information about yourself as prompted by the account registration form ("Account Data"), and (b) to promptly update the Account Data to keep it true, accurate, current, and complete. In addition, Service Provider reserves the right to modify or terminate the Service (or any part thereof), for any other reason in its sole discretion either temporarily or permanently. Service Provider will post on our website and/or will send an email to the primary address associated with your account to provide notice of any material changes to the Service. It is your responsibility to check for any such notices. You agree that Service Provider shall not be liable to you or any third party for any modification or cessation of your email account or the Service.
