

All Viasat Internet for Business Plans (formerly Exede Business)

Minimum 24-month service term. Monthly price includes the monthly service fee and \$9.99/mo equipment lease fee. One-time standard installation fee is \$299.99. All fees are subject to taxes. Equipment must be returned upon cancellation of service, otherwise an unreturned equipment fee will apply. Non-standard installations may result in additional charges. Speeds are “up to,” are not guaranteed, and will vary. Some service plans is subject to data transmission limits measured on a monthly basis. On some service plans extra charges apply for data used in excess of monthly data allowance. For full details, see the [Data Allowance Policy here](#). Service is not available in all areas and requires a clear view of the southern sky. The performance of some games over the Internet is very poor and some games may not work at all. Use of the Viasat Internet service on multiple devices requires a wireless router. Virtual private networks (VPNs) and remote computer access may be very slow with Viasat’s service. Some VPNs may not work at all. All offers may be changed or withdrawn at any time. Exede is a registered service mark of Viasat, Inc.

Unlimited Data Plan

Video streaming is at HD Quality (typically 1080p). Video streaming quality is “up to,” will vary and is not guaranteed. After 300 GB of data usage, ViaSat may prioritize your data behind other customers during network congestion. The service plan is only available for your direct use. You are prohibited from allowing anyone who is not your agent or employee to use the Internet service, including providing Wi-Fi to your patrons.
