Unlimited Data Plans

Depending on the specific unlimited data service plan available at your location, after you use the following amount of data, we may prioritize your data behind other customers during network congestion, which will result in slower speeds: Bronze 12 (35 GB or 40 GB, depending on your specific plan); Silver 12 (45 GB), Gold 12 (65 GB), Silver 25 (60 GB), Gold 50 (100 GB), and Platinum 100 (150 GB).

Streaming video quality is “up to,” will vary and is not guaranteed. See Unlimited Data Policy for details.

Liberty Plans

Liberty plan customers who use more Priority Data than their Liberty plan provides will receive Liberty Pass for the remainder of their monthly billing period. Liberty Pass speeds are slower than Priority Data speeds and will vary greatly based on the time of day and network traffic in your area. Liberty Pass speeds may be extremely slow when the network is busy, which may greatly impair internet usage. Heavier users of Liberty Pass may experience slower speeds than lighter users. For details see the Data Allowance Policy, which you can view at www.exede.com/legal.

EasyCare

EasyCare is \$5.99 per month. For new Internet customers who purchase EasyCare, the monthly charge is waived for the first 90 days of service. If a customer cancels EasyCare within 90 days after purchase, the customer may be charged the standard rate that would have been applicable for each service call made at the customer’s service address during that 90-day period. Re-enrollment in EasyCare may be restricted for up to 180 days after cancellation. EasyCare is not available to customers in Alaska and Hawaii. Additional terms and conditions applicable to EasyCare are set forth in the EasyCare Plan Addendum to the Customer Agreement available at www.exede.com/legal.
